

Verein Mondopoly is looking for a new board with fresh ideas and drive

Are tolerance and openness towards other people important to you? Do you like to promote social change, develop new ideas and try them out in projects? Do you have the time and motivation to bring new life into a twelve-year-old Verein with a lot of potential? If so, we are looking for you!

What is Mondopoly?

Mondopoly is a non-profit, volunteer-based association with the goal to promote a peaceful, integrative togetherness. Whether consciously or unconsciously, we all fall back on stereotypes in everyday life when we meet other people. With personal encounters, we want to break down such categorizations and thus counteract discrimination and exclusion. We organize projects that promote exchange between different people, for example encountering people within a playful setting. Diversity instead of uniformity! You can find more information on our website www.mondopoly.ch.

Who are we looking for?

Mondopoly needs fresh minds: Many of the board members have been with us for over ten years and would like to retire soon. For this generational change, we are looking for new board members who commit on longer-term and continue to pursue Mondopoly's goals through creative projects.

In the fall of 2021, the current board will organize another encounter game in the city of Zurich for school classes as its last project. Being part of the organizing committee is an excellent opportunity to get to know Verein Mondopoly and its ideas and values.
